

MIGUEL SNYDER

Address: Port Kirsten, Singapore
Phone: (285)498-9949x2930
Email: miguel.snyder@outlook.com
Nationality: Singapore

WORK EXPERIENCE

Executive-level technology leader with extensive background in backend engineering. Expertise in Rust, Kotlin, Go with track record of transforming organizations through technology.

WORK EXPERIENCE

- LLM Engineer**
2023-02 – Present
Airbnb
 - Created authentication and authorization system using Hugging Face, securing 100+ user accounts
 - Led migration from monolithic to microservices using LangChain, improving system scalability by 57%
 - Led migration from monolithic to microservices using Hugging Face, improving system scalability by 54%
- Platform Engineer**
2020-06 – 2022-08
Shopify
 - Led migration from monolithic to microservices using Neon, improving system scalability by 41%
 - Led migration from monolithic to microservices using Elasticsearch, improving system scalability by 68%
- Platform Engineer**
2016-06 – 2020-06
Snowflake
 - Built event-driven architecture using FastAPI, processing 1000+ events daily
 - Designed and implemented message queue system using FastAPI, processing 1000+ messages/hour
 - Implemented caching layer with GCP, reducing database load by 43%
 - Designed and implemented microservices architecture using Anthropic, handling 50000+ concurrent users
- Software Engineer**
2014-09 – 2015-12
Palantir
 - Designed and implemented message queue system using Replicate, processing 1000+ messages/hour
 - Created authentication and authorization system using Scrum, securing 10000+ user accounts
 - Led migration from monolithic to microservices using Kubernetes, improving system scalability by 31%
 - Led migration from monolithic to microservices using Scrum, improving system scalability by 59%
- API Developer**
2010-06 – 2014-06
CloudNova
 - Designed and implemented message queue system using Django, processing 100+ messages/hour
 - Designed and implemented microservices architecture using Django, handling 5000+ concurrent users

EDUCATION AND TRAINING

- M.Eng. in Computer Science**
2009
Purdue University

PERSONAL SKILLS

- Mother tongue:** English
- Other languages:**
- Technical skills:** Rust, Kotlin, Go, Java, Node.js, Flask, Gin, FastAPI, Spring Boot, DynamoDB, MySQL, Redis, Nginx, ArgoCD, Terraform, Azure, Railway, Anthropic, OpenAI API, Claude API, CI/CD, RAG Architecture

CERTIFICATIONS

- AWS Certified Developer Associate — Amazon Web Services (2025)
